## SURROUNDED BY MYSTERY!

### A Great Mistake.

A recent discovery is that headache, dizziness, dullness, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerve force; that indigestion, dyspepsia, neuralgia, wind in stomach, etc., arise from the derangement of the nerve centers supplying these organs with nervous force. This is likewise true of all diseases of the heart and lungs. The nerve system is like a telegraph system, it will be seen by the accompanying cut. The little lines represent the nerves which convey the nervous force from the nerve centers to every part of the body, just as the electric current is conveyed along the telegraph wires to every station, large or small. Ordinary physicians fail to regard this fact; instead of treating the nerve centers for the causes of the disorders, they administer drugs which may treat the part affected.

Franklin Miles, M. D., LL.B., the highly celebrated specialist and student of nervous diseases, and author of many noted treatises on the latter subject, long since realized the truth of the first statement, and his Restorative Nervine prepared on that principle. Its success in curing all diseases arising from derangement of the nerve system is wonderful, as the thousands of unsolicited testimonials in possession of the company manufacturing the remedy amply prove.

The Restorative Nervine is a reliable remedy for all nervous diseases, such as headache, nervous debility, prostration, sleeplessness, nervous hysteria, sexual debility, St. Vitus dance, epilepsy, etc. It is sold by all druggists on a positive guarantee, or send direct to the Drug Stores Medical Co., Elkhart, Ind., or agent of Miles. \$1 bottle, six bottles for \$5, express prepaid. Restorative Nervine positively contains no opium or dangerous drugs.
